

Installation of the Filler Eyebrow on Newer Collectramatic Fryers

ADDENDUM TO LIT. #229-50707

FIGURE A

When upgrading a newer Collectramatic fryer controller to a FAST control and header, you will need to install the filler piece part # 214-53528 supplied with the kit.

1. Line up the filler piece part #214-53528 with the holes at the top of the header. On the back of the filler piece there is a stud as seen in Figure A. Mark the sheet metal on the front of the header and drill a 3/16" hole to fit stud through.

FIGURE B

2. Using the enclosed hardware package, (part #213-50429-01), install the nut to stud and tighten.
3. See Figure B. Refer now to the installation manual part #229-50707.
